Work Experience

Ingles Markets (West Jefferson, NC) (2024 - Present)

- Description: Working as a cashier, I have often been commended by both my managers and customers for working quickly while still providing high quality service.

McDonald's (West Jefferson, NC) (2022-2024)

- Description: I worked mainly as a janitor, and many customers praised me for my thoroughness and attention to detail, with some even going so far as to say the restaurant lobby was the cleanest they had ever been in.

Skills

Java, Spring, SQL, OpenGL, C, Python, C#, Git, TCP Networking, HTML/CSS, UI design, Linux, Accounting, Microsoft Excel

Notable Projects

- Developed a 2D game using a custom engine.
- Built a full stack web application using MySQL, Spring, and React, and was able to host it on a public HTTPS site.
- Built a working desktop weather app with a modern UI, able to fetch a user's location and display local weather data using web APIs.
